HANDCRAFTED IN THE HEART OF THE PENNSYLVANIA DUTCH COUNTRY WITH GREAT SKILL AND PRIDE

PLAIN & FANCY CHICAGO
Imagine a kitchen not only inviting, but also thoughtfully designed to fit every nuance of your lifestyle. Imagine world class quality with style that is a true reflection of your exemplary taste. Handcrafted by artisans who bring their Pennsylvania Dutch heritage to each piece, Plain & Fancy has been outfitting homes with heirloom quality kitchen, bath and home cabinetry for over 40 years.

Through a long-term partnership with Plain & Fancy, the Chicago showroom, operated by Dandamudi's Inc, has been transforming homes across the midwest for over 15 years.

Step into our showroom and enter a world of customization, personal interaction, and quality craftsmanship. Once you see our beautiful kitchen displays firsthand, you will be able to truly understand the quality and design expertise we will bring to your home and lifestyle.

Our highly experienced on-staff designers, with their design creativity and fine eye for details, will help ensure that every desire you have about your home will be fulfilled.

Decades of experience and satisfied customers, artisan craftsmanship paired with the latest technology, a renowned reputation for quality backed by a worry-free warranty—its what set us apart from neighborhood cabinet makers and reasons you can feel confident in your selection.

Quality, design, craftsmanship... that's the Plain & Fancy difference.

"We had the great modern versus traditional debate... the designers showed us how to use a combination of both and we love the result. They asked us all the questions that enabled this area to be not only beautiful, but also functional. Their team made the whole experience easier than we ever imagined."

– Complete Renovation in Chicago

*"I'd definitely consider hiring Brandy Cohen of Plain & Fancy Chicago to design a room or two, based on [the DreamHome] kitchen she crafted."
- Bradley Lincoln, Chicago Home & Garden*

"This new construction home was one of my favorite kitchens to see come to life from the design conception. The soft white hand-painted cabinets balance beautifully with the dark stained Walnut island. I believe this space marries great design detailing with a truly functional work space to make the perfect kitchen!"

WITH AN ARRAY OF DOOR STYLES, AND ENDLESS COLORS AND FINISHES, YOU CAN CREATE CABINETRY THAT IS ONLY AS LIMITED AS YOUR IMAGINATION

OVER 40 STANDARD DOOR STYLES
Plain & Fancy offers an unprecedented variety to meet a wide array of tastes—from French Provincial to Soft Modern and everything in between. And because Plain & Fancy is true custom cabinetry, if you don't find that perfect style, we can create any door or drawer design you wish. To date, we have produced more than 1000 custom styles, so you may find yours already exists. If not, we're ready to design one just for you.

TOP FINISHES
Plain & Fancy Custom Cabinetry continues to deliver the best possible finishes in the custom cabinetry market. Because of our attention to detail, our products go through several stages of hand finishing, followed by state of the art automation to yield the industry's finest finish.

Our expert staff of dedicated technicians and craftsmen work to deliver an array of the finest finishes, including hand stained, solid painted, distressed and crackled options, on a consistent and timely basis. We continue to partner with the leading manufacturers of industrial finishes to stay at the forefront of the industry and to provide you with a finish you will enjoy for years to come.

Whatever finish you choose—whether it begins with a color we've already developed, or a custom one that is near and dear to your heart—your cabinetry will resound with personalization and timeless elegance.

“Your kitchen is often the heart and hearth of your home—a magical place where friends and family congregate. Whether you are an avid cook, or your kitchen is primarily for entertainment purposes, you’ll be delighted with your new Plain & Fancy kitchen”

PRECISION—THERE IS REALLY NO BETTER WORD TO DESCRIBE THE WAY OUR CABINETS FIT

QUALITY

For over 40 years, homeowners have come to learn that they can expect more from Plain & Fancy because we are committed to constant innovation without sacrificing function. Pennsylvania Dutch artistry is mixed with state-of-the-art automation to deliver one-of-a-kind pieces. Cabinets and drawers are made of the finest materials using solid and precise construction methods to ensure that they are as perfect and durable as human craftsmanship and modern technology will allow. This produces cabinetry that will withstand the test of time. What sets Plain & Fancy Cabinetry apart from neighborhood cabinet makers are the warranties we offer. We stand by the quality of our products and want you to enjoy them worry free for many years to come.

SUSTAINABILITY

Living and working in beautiful, bountiful Pennsylvania Dutch Country gives us a special reason to care for the earth—and reason to follow leading environmental protection practices in manufacturing our custom cabinetry. To demonstrate our complete commitment to protecting the environment, Plain & Fancy is a certified participant in the Environmental Stewardship Program (ESP) of the KCMA.

CREATE A LOOK
THAT BELONGS
TO YOU... THE ONE
AND ONLY YOU

TRUE CUSTOM CABINETS
Plain & Fancy Custom Cabinetry is made from scratch to your exact specifications—just for you. Working with a trained designer, you choose the type of wood, the door and millwork style, the decorative treatment, the color and finish, the hardware and the storage options. The designer will measure your space, draw a plan, and then a Plain & Fancy craftsman will construct and finish the cabinetry. Lastly, we supervise the installation so it fits your room like a glove.

If you are planning a new kitchen, bath, library, entertainment center, or other room in which craftsmanship plays a major role, custom cabinetry is a smart investment that will add significant beauty, efficiency, and value to your home.

ENJOY BEAUTIFUL
CABINETS IN EVERY
AREA OF YOUR HOME

BEYOND THE KITCHEN
While Plain & Fancy Custom Cabinetry is best known for its unsurpassed kitchens, the family owned company also produces equally superb cabinetry and stand-alone furniture for every room in the house. In addition to kitchen and bath cabinetry, we customize libraries, studies, offices and bedrooms, and craft furniture such as tables, armoires and entertainment centers. We make decorative treatments such as fireplace surrounds, hearths and mantels, as well as wainscoting, turnings, posts, legs, corbels and much more. In fact, Plain & Fancy can build most any custom piece you want.

**DEEP STORAGE DRAWERS,
FULL EXTENSION GLIDES.**

Put everything within reach. Studies show drawers offer more storage and make items more accessible than doors and an internal shelf. All Plain & Fancy drawers are full extension with soft close technology.

SPICE RACK PULLOUT

Open with ease; organize spices and cooking oils right by the range. May also be used for cleaning supplies in the sink area.

DRAWER IN DRAWER

Behind a deep drawer front is tucked a 4 inch pullout to store silverware, serving utensils or linens. The deep drawer functions well for china storage and serving plates; an organizational peg system is also shown.

ROLL OUT DRAWERS

The ordinary base cabinet becomes a bit extraordinary with Roll Out Drawers. Designed to increase storage space and accessibility, it turns cabinets into organizational masterpieces.

**DECORATIVE HANDWOVEN
WICKER BASKETS**

Stylish and functional, from colorful napkins to vegetable storage, this accessory provides easy access. Baskets slide on a wood runner and are easily removable for transporting your items for use.

BASE CAN GOODS STORAGE

Optimum space utilization, full extension guides for full access, non slip shelves. Storage for canned goods, dry goods, small appliances.

LEMANS, DEAD CORNER UNIT

A shelving system that is innovative and contemporary. Beautifully curved shelves that give corner cabinet accessibility a whole new meaning. Open the cabinet door and each shelf easily turns and swings completely out of the cabinet—individually—for easy access to any particular pot or pan.

SILVERWARE STORAGE

Plain & Fancy offers many options to easily store and access your silverware.

WALL SPICE RACK

Easy access to your favorite spices with shelves that are adjustable.

DOUBLE WASTE BASKET

Everyone needs a place to collect the day's scraps. Designed for total convenience, the pull out glides smoothly and closes softly and silently, even with full bins. A sturdy frame keeps baskets securely in place. Choose a single bin for smaller spaces or double bins to separate trash and recyclables.

A PLACE FOR EVERYTHING
AND EVERYTHING IN ITS PLACE

ACCESSORIES

Designed for your life, the accessories you choose add life and character while maximizing the functionality of your storage space. Our designers will help you choose the accessories that maximize your efficiency in the kitchen.
